IN THE CELLAR

The hand harvested grapes were destemmed, crushed and fermented in open top fermentation tanks, with punch downs performed twice daily.

The wine was gently pressed and racked to barrel for malolactic fermentation. It was aged for 11 months in 300L French oak barrels (10% new, the balance 2nd, 3rd and 4th fill).

TASTING NOTES

Arboretum is crafted from the fruit of the organically farmed estate vineyards in Devon Valley, Stellenbosch. It is a blend of the best barrels the vintage gives the winemaker. This rich, smooth Cabernet Sauvignon dominant Bordeaux-style blend displays lovely blackberry, black cherry, and tobacco notes on the nose. On the palate, it boasts a core of opulent plum and cassis fruit, with firm tannins providing great texture and structure.
